TEXAS WESLEYAN COLLEGE

FORT WORTH — TEXAS

FOREWORD

Dearest Le Ruth.

Well this marks the end of two wonderful years of friendship and the beginning of what I hope will be many more years of a friendship like ours. What in the world could I say in mere words about how much [illegible] you has meant to me. You are without a doubt one of the sweetest girls I know. I'll never forget (how could I?) the good times and the tears we've shared.

You are through, at last, with your college studies. As you go forward to a life with Homer may I wish you more than just good wishes, but the very best things in life. I know that you will find success in everything you do because you have just what it takes.

Even though life won't always be easy, and a bed of roses, a person of your high ideals and sweetness will surely come out on top.

I'll not say goodbye because I am hoping to see you often. Good luck, my dear, and may God be with you always

Love,
Diana

The following pages represent a year in your life that you will never forget—a year of work, a year of study, and a year of fun. As you look over this book, I hope it brings you happy memories of these days at T.W.C. and the many friends you met and enjoyed here. This TXWECO is for you—it is you—a record of your days on our campus. I hope you enjoy this book, my friends. May the memories it brings be lasting, and may they fill your heart with pride for this year at T.W.C.

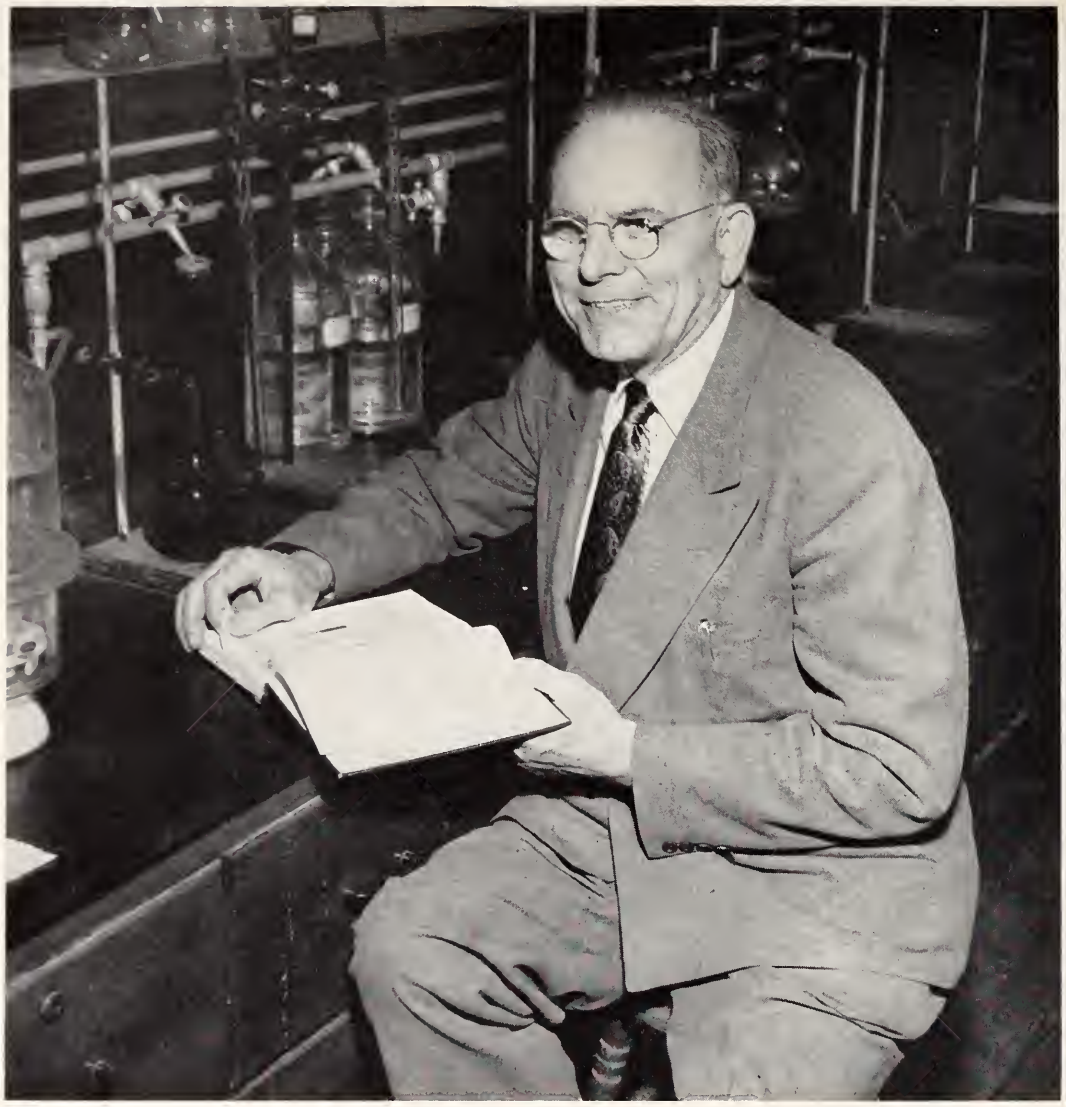
DEDICATION....



To a person who we believe truly warrants the honor, the senior class dedicates this, the 1953 TXWECO.

In our years at T. W. C. he has been a true friend—always ready with a friendly greeting and smile. His knowledge and interests are not limited to his field of science, but he is always ready to take part in any campus activity. Because of this interest and because of his wonderful ability to get along with people, he has won the respect and admiration of all who know him.

We believe that no one is more deserving of this honor than he—Dr. W. E. Ward.

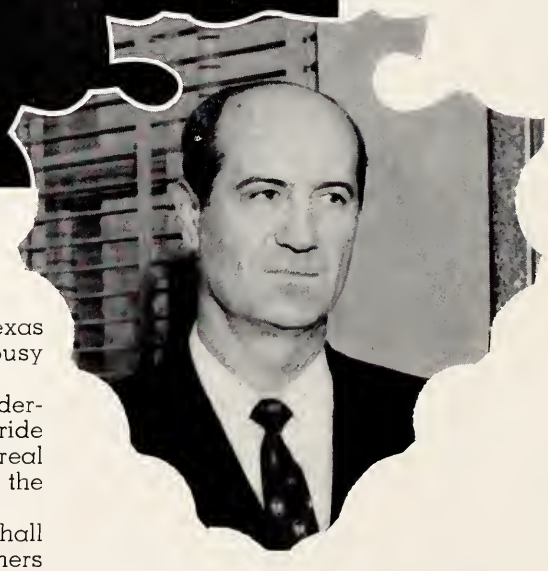
ADMINISTRATION BUILDING

LAW SONE

PRESIDENT OF T.W.C.



Inspiring indeed is the sight of recurrent senior classes at Texas Wesleyan College as they join the yearly stream of recruits into busy fields of activity and endeavor in these United States.

Then, as years come and go, the realization of effective leadership from our graduates fulfills a pattern in a manner to evoke pride and satisfaction to the administration and faculty. This is our real reward for every endeavor and every sacrifice that goes into the educational process.

We hold a strong faith at Texas Wesleyan College that we shall not be disappointed in the class of '53. God bless you as, with banners flying, you enter the contests of a full and rewarding life. May you achieve through service your highest goal.

LAW SONE

WALTER R. GLICK

VICE-PRESIDENT OF T.W.C.

People born on this earth have passed through everwidening circles of citizenship from the sovereign man in the beginning to that of the world citizen of today. The peace of the world depends upon the precision of the adjustment of the citizen upon local, national and international levels. May your tolerance be a sufficient oil to produce a perfect mesh for your citizenship gears.

WALTER R. GLICK

J. ELMER COX

DEAN OF THE COLLEGE

College graduates must assume increasing responsibilities in our society. You, as graduating seniors, must continue to prepare yourselves to assume these obligations. We believe that your education in a Christian college has helped to qualify you for lives of service. We view you with pride and have confidence in your ability to establish yourselves as successful Christian men and women. May God's blessings guide you in using your talents.

BASKETBALL SWEETHEART

The Ram basketball team chose as their 1952-1953 sweetheart Sylvia McMurray. Sylvia, a junior from Garland, Texas, is a member of ENTRE AMIS and WAA. Her major is P. E. and she plans to teach after she graduates next year. The Rams really chose a Sweetheart this season!

CHEERLEADERS . . . .

Ready to back the Rams all the way were these four cheerleaders, chosen by student election. Whether the games were played in the Rec Hall or in the various towns over Texas they were on hand to keep the spirit high. They said we'd yell our way to the Big State Conference championship—and we did!

Shown at the left with the cheerleaders is WILLIE IV, Mascot of the Ram team.

HEAD COACH

DAN HART

That extra big smile you can see on Coach Hart's face this year is a reflection of his pride in the team for placing first in the Big State Conference. He knows the joys and heartaches and the victories and failures that make up a winning team, for during his school years at T.W.C. he was a member of the Ram team, lettering his second year. After getting his M.S. degree from North Texas State College he returned to T.W. as intramural director and coach of the Lambs. He became head coach in 1951. His friendly manner and striking smile have made Coach Hart a favorite with everyone on the campus.

Kneeling: Bob McQuitty, John Friday, Jimmy Bridges, Pat Simmons, and Jim Wilson.

BASKETBALL

The Racing Rams began their 1952-53 cage season with the short straw to the tune of a 65-57 defeat at the hands of Midwestern University in Wichita Falls. The Rams were not down for long, however; two days later on the Rec Hall hardwoods they came out with 54-45 over Sam Houston State Teacher's College of Huntsville.

December 9, exactly one week after the Rams lost their debut, they avenged themselves by playing ball comparable to that of champions, winning over Midwestern 58-51. The Wesleyan quintet turned up two nights later in the city of Brownwood to hand the Howard Payne Yellowjackets a record-breaking defeat, 90-78.

With a 3-1 season win-lose record, the Rams came on December 13 to win their first conference game from St. Mary's of San Antonio by the small margin of 1 point. The next Tuesday saw the Ram's winning

streak vanish as a Ram rally in the third quarter went to pieces in the fourth, and the Cowboys from Hardin-Simmons won with a 72-63 count in a non-conference tilt at Abilene. The next game saw the Rams take their second from Howard Payne, 81-58, making the season record 5 wins to 2 losses. The next game had the crowd on its feet during the fourth quarter and the overtime period as the Rams had to bow to the Axmen of Stephen F. Austin College in Nacogdoches.

The Rams defeated a strong unbeaten Southwestern team 83-64 as the Pirates blew to pieces and the Rams took advantage of a hot night. January 10 saw the Rams taks their first and only Big State Conference loss at the hands of East Texas Baptist College in Marshall, 88-71.

On January 27 the Rams were due their second defeat at the hands of the powerful Lumberjacks from

Stephen F. Austin. The following Friday in Huntsville the Rams saw rotten luck befall them as the Sam Houston team left them standing still 107-80. At this time Ray Jefferson received a finger injury that kept him out for the remainder of the season. He was replaced by Jimmy Bridges who proved his worth by immediately getting into the double figures. Jim Wilson left about the same time and Gerald Baum came out of retirement to become a squadman. Don Vassey took his place as manager.

The TW squad defeated in order St. Mary's, 85-74, and Texas Lutheran, 81-70. Then the Racing Rams took a breather in a non-conference tilt, defeating a strong Wayland quintet from Plainview 73-70. Two more conference games were next with the rampaging Rams defeating St. Ed's and Southwestern 60-54 and 65-58. The Rams then ventured a good 460 miles to Alpine to

Then in a first-round playoff for a berth in the NAIA tournament to be played in Kansas City, Mo., the Rams were pitted against North Texas State College. Happiness was written on the faces of the TWites as they defeated the Eagles 86-80.

The Wesleyan quintet was due to bow to East Texas State College, the most powerful team they faced all season, 72-52 in the finals of the playoff.

The Rams displayed playing ability and a record they can be proud of—15 wins, 6 losses and the BIG STATE CONFERENCE CHAMPIONSHIP CROWN.

AS AMERICAN AS A HOT DOG

The hot dog is a familiar part of American life. Most of us take for granted that when we want one we can get it—almost anywhere. We can depend on the availability of the American hot dog in this country—it is part of the American scene—and we like it.

Electric service, too, is a familiar part of the American pattern. Can you imagine your home—or your work—without the convenience of electric service? Everyone takes the availability of electric service for granted. And you can take its economy for granted, too.

The savings of thousands of people are invested in the securities of Texas Electric Service Company. These savings bought power plants, electric power lines and other equipment —equipment that is operated by the men and women of Texas Electric Service Company to provide you with dependable, economical electric service.

Money, materials and man-power are joined under our American free enterprise system to bring economical electric service to you. This system is just as much a part of the American scene as the hot dog—it's the system which has given us Americans more of the many fine things which make us healthy, comfortable and strong—more than any other country in the world.

Dear Le Ruth

Well how I can't even begin to write about the way I feel about the girls down at my end of third floor. All of whom I love very much. Especially Ruth you have been ment alot to me in that you have been so kind and sweet to me. Of all the people I have met I don't believe I met any sweeter person. I hate that you are leaving but am happy for the reason that you are going to be very happy. Home is sure you are going to be so happy. Ruth. Don't forget a very lucky person and do come to see us, and write to Dorine and I, and be very much but Glad also you We will all miss you very much for being Ruth. All my love to you, for being so sweet and for being Marine

Dear Le Ruth, I shall always remember you as one of the sweetest girls I've ever known. I wish for you the best that life can bring.

Love Mrs. Anderson

Dear Le Ruth,

It has certainly been a privilege to know you this year after hearing so many nice things about you and your family. I don't know any family that my daddy loves any better than yours. Because you were living in the wrong dorm we didn't get to see each other much but your cheery smile and greeting I always welcomed.

Best wishes always to a future preacher's wife. You don't know what you're in for. It's quite a life.

Love,

Nan Mann

Dear Le Ruth,

Yesterday I just came to TWC and met you. Do you remember last September? I sure have enjoyed every minute I have spent with you. All the best and luck in the future.

Dios te bendiga.

Love

Irene.

Homer

Soon you'll be Mrs. Ruth, you'll just think, that seems like

Luck!

Dear Le Ruth

Now that you have
that long-hoped-for
sheepskin, you are
ready to take your place
among intelligentia of the
great wide world. Or
perhaps it would be much better
if you just became Mrs. Kluck,
the Pastor's right hand. Blessings
on you as you enter into a new phase
of life. May the best of everything be
yours. We shall miss you, so come back
for a visit as often as possible.

Sincerely
Haskell McClintock

Dear Le Ruth,

It has been a great
pleasure to have been
and had you as a friend.
Even though you are
graduating, I hope that
our paths cross often, and
our friendship never ceases.
Lots of luck and happiness
to you & congratulations on your
coming event. Thanks for
being the friend that you
have.

Sincerely,
Burke

Dear Le Ruth -
The smoking of your
smile has helped me
though dark & cloudy days.
and made they brighter
just a shade brighter.
Your marriage in the
near future in my
opinion, is an ideal
one and may it bring you
all supreme happiness.
Love Mom K.

Dear Le Ruth -
I'd seem as though I have
known you for so much longer
than few short years. We have
finished our B.A.'s and will soon
take on the MRS degree. I know
we can continually counting that time.
It's more than just finishing
school more than. You and I
made up and then the least
of such in something.
Love
Mom Mac (Mackenzie)
